STAFF MEMBERS PRESENT: Christine Turk, Executive Director, Troy Niesen, Licensing Officer, Krista Wilson, Licensing Specialist, Stacey Aurzada, Assistant Attorney General, Ken Nelson, Senior Assistant Attorney General.

VISITORS PRESENT: Jay Puckett, Rod Davis, Mark C. Eatinger, Gus Plum, Rod Skaggs, Dr. Herb Stoughton.

APPROVAL OF MINUTES: A motion was made by Rick Moore, seconded by Stanton Abell and carried to approve the July 19, 2004 Minutes with corrections noted at the meeting.

APPROVAL OF BUDGET/TREASURERS REPORT: A motion was made by Dave Whitman, seconded by Bill Edwards to approve the Budget/Treasurer's Report as distributed.

LAND SURVEYING CURRICULUM AT LCCC: Dr. Herbert Stoughton gave a presentation on the Land Surveying Program at LCCC. Dr. Stoughton reported that there is still a surveying program at LCCC which is published in the LCCC catalog. The counselors at LCCC are unaware of the surveying program, so prospective students should contact either Dr. Herbert Stoughton or Dr. Saliyah of the Business Technology Division. Courses taken at the University of Wyoming will automatically transfer to LCCC. Dr. Stoughton is willing to sit with prospective students and evaluate academic records and will put into writing the courses needed to obtain a surveyor's certificate from LCCC. Dr. Stoughton has the authority to open up courses at anytime for students wishing to obtain the surveyors certificate. Patrick Tyrrell suggested having an article about the land surveyors program written in the upcoming newsletter and also putting together a letter to be sent out to prospective students. The committee to work on this is Peter J. Hutchison, Herb Stoughton, David L. Whitman, Rod Skaggs and Jay Puckett.

LEGISLATIVE UPDATE: In August 2004 the Joint Corporations Committee met in Cheyenne. Peter Hutchison and Christine Turk attended the meeting. The committee asked several questions about the legislative changes that the Board was proposing. At the meeting, the legislative committee voted to reinsert the language in WS 33-29-125 (b)(iv) which had been repealed in 1991. This would make it possible to obtain licensure as a land surveyor without any formal education and be licensed based on experience alone.

TRACKING SYSTEM FOR FEE INCREASES: Patrick Tyrrell gave an update on the status of the tracking system. This project has not been completed due to the absence of Janice Rath in the State Engineers Office.

NOMINATIONS FOR NCEES AWARDS: A motion was made by Patrick Tyrrell, seconded by Rick Moore and carried to nominate Clyde Porter of the Idaho Board for the Distinguished Service Award. Mr. Porter has served the Idaho Board and NCEES committees for several years.

SCHEDULE OF NEXT BOARD MEETING: The next Board meeting will be in Cheyenne, WY on February 21, 2005 at 6920 Yellowtail Dr. Ste. 100 Cheyenne WY.
